

## Halo Approved as BHP Billiton Level II Vendor

Halo is pleased to announce that we are now a BHP Billiton approved Level II Vendor. BHP Billiton is known for setting and enforcing rigorous standards to ensure safety and traceability at all times. Halo meets and exceeds these standards, and plans to remain on the forefront of the industry. BHP Billiton's Level II Vendor status approves Halo to manufacture and inspect slings and shackles for BHP Billiton. This approval has allowed Halo to become one of only a handful of companies on the Gulf Coast approved to do business with BHP Billiton. If you require products approved by BHP Billiton, you can now trust Halo to provide quality, safety, and traceability.

Halo is the premier supplier of wire rope and industrial supplies to the marine industry; and offers testing, inspection, and training services to keep *LIFE FIRST*.
