FOR IMMEDIATE RELEASE: November 16, 2010

## Halo Wire Rope LLC, Is A Force To Be Reckoned With

Houma, Louisiana (November 16, 2010) – By merger of two great forces, Halo, LLC of Louisiana, Gaylin (USA) PTE, Ltd. of Singapore, the formation of Halo Wire Rope, LLC is official. Halo, LLC is the premier supplier of wire rope and rigging hardware to the marine industry, and offers testing, inspection, and training services to keep “LIFE FIRST”. Gaylin International is a 36 year old company that is now lead by its Managing Director/ CEO, Desmond Teo. He and the Teo family have steadily grown Gaylin through a basic philosophy of enhanced capabilities, product innovation, and strong relationships with customers and suppliers.

With a great friendship and unwavering mutual respect, it was only a matter of time before Ken Ragusa and Desmond Teo figured out a way to better this industry for the future. “Gaylin is currently the premier rigging shop in the world with great strength, experience, a strong reputation and capabilities that are unmatched. Halo, LLC has lead the way in setting new industry standards in order to bring workers back home safely to their families. We are now combining our experience and beliefs to improve this industry worldwide,” says Ken Ragusa, Halo Wire Rope, LLC, President / CEO.

Together they will form HALO Wire Rope, LLC. While HALO Wire Rope LLC is strategically located in Houma and Port Fourchon Louisiana, it plans to expand facilities worldwide in the near future. It is the mission of HALO Wire Rope LLC, to bring its message of “LIFE FIRST”, global and make its mark on the Oil and Gas industry.

HALO Wire Rope, LLC has fully operational rigging shops with an unprecedented inventory of small and large diameter wire ropes up to 6” in diameter and rigging hardware of all sizes and pull-testing capabilities to 3 million pounds. Halo Wire Rope, LLC is here to fulfill the oil and gas industry’s rigging needs no matter how large or small.

Please contact any member of the HALO Wire Rope Team to help your business reach higher levels of safety; all while meeting your material needs in the utmost timely fashion.
